 2. Maintenance and support services may include provision of such updates, upgrades, bug fixes, patches, and other error corrections (collectively, "**Updates**") as Licensor makes generally available free of charge to all licensees of the Software then entitled to maintenance and support services. Licensor may develop and provide Updates in its sole discretion, and Licensee agrees that Licensor has no obligation to develop any Updates at all or for particular issues. Licensee further agrees that all Updates will be deemed Software, and related documentation will be deemed Documentation, all subject to all terms and conditions of this Agreement. Licensee acknowledges that Licensor may provide some or all Updates via download from a website designated by Licensor and that Licensee's receipt thereof will require an internet connection, which connection is Licensee's sole responsibility. Licensor has no obligation to provide Updates via any other media. Maintenance and support services do not include any new version or new release of the Software that Licensor may issue as a separate or

new product, and Licensor may determine whether any issuance qualifies as a new version, new release, or Update in its sole discretion.

 2. Licensee agrees that the Licensor may use such information for any purpose related to any use of the Software by Licensee or on Licensee's equipment, including but not limited to, improving the performance of the Software, Licensor's products and services, optimizing systems that use the Software, or developing Updates, or Licensor's other business purposes.
9. Intellectual Property Rights. Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto, other than to use the same in accordance with the license granted and subject to all terms, conditions, and restrictions under this Agreement. Licensor and its licensors and service providers, if any, reserve and shall retain their entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement. Licensee shall use commercially reasonable efforts to safeguard all Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify Licensor if Licensee becomes aware of any infringement of the Licensor's Intellectual Property Rights in the Software and fully cooperate with Licensor in any legal action taken by Licensor to enforce its Intellectual Property Rights.
10. Term and Termination.
 1. This Agreement and the license granted hereunder shall remain in effect for the term set forth on the Order Form or until terminated as set forth herein (the "**Term**").
 2. Licensee may terminate this Agreement by ceasing to use and destroying all copies of the Software and Documentation.

 5. Upon expiration or earlier termination of this Agreement, the license granted hereunder shall also terminate, and Licensee shall cease using and destroy all copies of the Software and Documentation. No expiration or termination shall affect Licensee's obligation to pay all Licensee Fees and Support Fees that may have become due before such expiration or termination, or entitle Licensee to any refund.
